You can access the Club V1 Members App on or your Android phone or tablet.

For Android (Samsung, Sony, Huawai etc):

Download the Club V1 Members App from the Play Store.

The Play Store on Android i will look something like this

You might need to authenticate yourself to download the app. This will vary depending on how up to date your phone. You may need your Google id and password. If you have forgotten these there will be an option to reset by clicking the button that says you have forgotten your password.

Now go to the search option, the small magnifying glass at the top right.

> Search for   *ClubV1 Members Hub*

When found, click the INSTALL button. You will be asked to authorise notifications, please say yes.

When it is complete click the open button.

You will now be able to log in or register. If you have used HowDidIDo before you should log in using your id, which will be your email address and HowDidIDo password. If you have more than one email address, use the same one you received these instructions in. If you have forgotten you password you can click the button to reset it.

If you have not used HowDidIDo, then click the button to register.
