

You can access the Club V1 Members App on Apple devices (iPhone or Mac):

Go to the Play

store an iPhone or mac

You will might need to authenticate yourself to download the app. This will vary depending on how up to date your phone. On Android you may need your Google id and password, on Apple you might need your

Search for 'ClubV1 Members Hub'

To use the APP, members must login using their existing HowDidiDo details, or you can register for an account if haven't used HowDidiDo before.

In order to verify that you are a registered member of the Golf Club, you will be prompted to verify your membership information. The email address you log in with must match what the club has on record. On first launch you will be asked to scan for Manchester Golf Club. You will also be asked to verify the first line of your home address.

You will also be sent an email to confirm the validity of their email address. Once activated, they will be able to login.
